

CLASS ACTION SETTLEMENT AGREEMENT

THIS SETTLEMENT AGREEMENT (hereinafter “Agreement”) is entered into and effective upon its execution by all parties hereto. It is entered into by and between all members of the class which has previously been certified as identified and defined in Paragraph E below (hereinafter, collectively the “Plaintiff Class”), by and through Class Plaintiffs’ Co-Counsel, MARLIN & SALTZMAN, THE R. REX PARRIS LAW FIRM and MAZURSKY, SCHWARTZ & ANGELO on the one hand, and Bristol West Insurance Group, Coast National Insurance Company, Inc., Bristol West Insurance Services, Inc. of Florida, Bristol West Insurance of California, Inc., Bayview Adjustment Bureau, Inc., and all other entities who comprise the Bristol West Insurance Group (hereafter Defendants), by and through their counsel BARGER & WOLEN on the other hand, with reference to the following recitals and provision:

RECITALS

A. Certain claims, demands and differences have existed heretofore between the Plaintiff Class and the Defendants, including plaintiff class’ contention that overtime pay is owed to them and Defendants’ contention that the claimed overtime pay is not owed to the Plaintiff Class;

B. The Plaintiff Class and the Defendants are parties to a civil action, bearing case number CC08478 pending in the Superior Court of the State of California for the County of Orange, entitled *Jocelyn Roberts, et.al. vs. Coast National Insurance Company, Inc. et.al.* and filed on or about June 25, 2001 (“the Class Complaint”);

C. In said action, among other things, plaintiffs alleged that the Defendants improperly classified class members as exempt employees, misrepresented that plaintiffs were exempt employees and failed to pay overtime compensation, as well as all compensation due at the time of termination of employment. Defendants denied said allegations in their entirety and alleged that the members of the class were properly classified as exempt employees and that any and all compensation due class members was paid according to law.

D. The parties hereto stipulated to binding arbitration, which was assigned by the court to the Hon. John Trotter (Ret.). After commencement of the arbitration hearing on October 28, 2002, including the testimony of witnesses and the presentation of additional evidence via deposition testimony of current officers and management of the defendants, the parties engaged in comprehensive settlement discussions.

E. The Plaintiff Class refers to the class as previously certified by the Hon. Stephen Sundvold of the Orange County Superior Court. As used in this Agreement, “Class Members” refers to members of the Plaintiff Class.

F. The Defendants settling the claims against them are Bristol West Insurance Group, Coast National Insurance Company, Inc., Bristol West Insurance Services, Inc. of Florida, Bristol West Insurance of California, Inc., Bayview Adjustment Bureau, Inc., and all other entities who comprise the Bristol West Insurance Group.

G. The parties have conducted substantial formal discovery and investigation, and have researched and briefed the legal and factual issues relating to the claims and defenses of the action.

H.. The cost of continuing to prosecute and defend the litigation including the risks and hazards in continuing with the same, have led the parties to resolve the case by way of settlement. On November 1, 2002 the parties reached a settlement and placed the essential terms thereof on the record.

I. The parties have stipulated to the appointment of Justice John Trotter (Ret.) as the Referee for all purposes pursuant to *Code of Civil Procedure* §638. The parties desire to memorialize the principal terms of their agreement and such other terms as have been mutually agreed upon as necessary or conducive to the consummation of the principal terms of the parties' agreement.

J. It is the intention of the parties to the Agreement to settle and dispose of, fully and completely, any and all claims, demands and causes of action arising out of, connected with or incidental to the subject matter set forth in the Amended Complaint on file in the Action as between the Plaintiffs and the Defendants, including but not limited to requests for legal or equitable relief, requests for damages, and requests for injunctive relief, which have been asserted, or could have been asserted, or which might arise from receipt of any notice of this class action or this class action settlement, or by or on behalf of any individual plaintiff alleging relief for a settled claim.

In consideration for the releases and dismissals set forth in paragraphs 13 and 29 below, the Defendants agree to (1) the injunctive relief as set forth in Section 5 herein, (2) payment to class members pursuant to the "claims procedure" as described in Sections 6, 9 and 10 herein, and (3) the payment of attorneys' fees as described in Section 11 herein.

5. INJUNCTIVE RELIEF

Defendants agree that, as of November 4, 2002 all members of the Plaintiff Class currently employed by the Defendants and all persons hired in the future in California engaged in performing the services performed by the members of the Plaintiff Class shall be classified as non-exempt employees entitled to overtime compensation and all other benefits available to such employees pursuant to Federal and California law. Defendants further agree that an order to this effect shall be included in the final judgment to be submitted to the court. In converting class members to non-exempt employees, no class member shall be subject to any reduction in pay rate or benefits as a result of the same, other than to the extent any profit sharing bonus plan or incentive compensation plan may be impacted by the reduction in defendants' profits due to expenses incurred under this settlement agreement. Defendants may apply to the court for relief from this injunction in the future in the event any change or modification in the applicable federal or California law warrants modification or termination of this injunctive relief.

6. PAYMENT TO CLASS MEMBERS AND CLAIMS PROCEDURE

Defendants agree to pay to the class members all unpaid compensation as prayed for in the complaint for the period June 25, 1997 through November 3, 2002, and as established pursuant to the claims procedure set forth in Section 9 hereafter.

Said notice shall be accompanied by a claim form, also in a form approved by the Referee and attached hereto as Exhibit "B", to be executed under penalty of perjury and an envelope addressed to Gilardi & Co. LLC. (A neutral retained by Defendants to handle the administration of the notice process). Such claim form shall include a W-4 form for purposes of enabling Defendants to withhold any taxes in accordance with section 10 herein. All costs associated with providing notice and the claim form shall be borne by Defendants.

Plaintiffs' Counsel shall be advised by the Administrator of the identity of all class members who were sent notice as a result of a skip and whose notice was again returned, within 7 days of receipt of same by the Administrator.

Any claim received after the time limit described herein shall be considered as a late claim. Persons submitting late claims shall be informed that their claim is late and that it will not be considered. Defendants may, at their sole discretion, elect to consider any late claim.

9. CLAIM PROCEDURE AND PAYMENT PROCESS

As claim forms are received by Gilardi & Co. LLC, one set of copies shall be provided simultaneously and immediately to Plaintiffs' and Defendants' counsel, no later than within 5 days of receipt of the claim forms.

a. Except as provided in subsection (b) hereafter, Defendants shall have the right to challenge any claim submitted as to the amount of overtime claimed within 30 days of Defendants' receipt of a copy of the claim from Gilardi & Co. LLC. Whether or not a claim is challenged, all timely and valid claims are to be paid in accordance with this Section 9 and with Section 10. In all cases, Defendants retain the right to make written offers of compromise to class members, through Class Counsel, which shall be transmitted to the class member by Class Counsel at their expense within two working days of receipt. Except as provided in subsection (b) hereafter, Defendants shall exercise their best efforts to make all payments hereunder within 60 days, but in no event more than 90 days, after any decision regarding payment.

"Net Payment" (as that term is defined in Section 11 hereafter) shall be made by delivering a check to Class Counsel made payable to Class Counsels' trust account for the benefit of each class member.

b. If the Class Member selects one of the following levels of claims to be designated on the claim form, the claim shall not be subject to challenge by Defendants and Defendants will be deemed to have agreed to a “net payment” to a class member. Payments made under this subsection (b) shall be payable directly to the class members forthwith upon receiving the claim form and properly completed W-4 Form:

Claimant employed in an exempt adjuster position 4 years or more	Total Payment Net Of Any Applicable Taxes and inclusive of interest and penalties	\$1,000

c. For any payments in subparagraphs (a) and (b) above, pursuant to section 10 herein, Defendants are responsible for withholding such sums from each Class Member’s gross award and paying the withheld funds plus the employer’s contribution to the appropriate State and Federal taxing authority. The remaining portion of each award shall be designated as the “net payment”.

d. Other than as set forth in subparagraphs (a) and (b) above, all other claims may be challenged by Defendants. Challenges shall be heard in a summary fashion as determined by the Referee.

In said challenges, the rules of evidence shall not apply. The determination of the Referee shall be final and non-appealable and shall become part of the Referee’s order. As much as is practical, challenge hearings shall be scheduled so that Defendants are able to comply with the claim payment schedule set forth herein. Class Members who reside beyond the jurisdictional power of the court as provided in Code of Civil Procedure section 1989 may participate in the same via telephone conference call. Class Members who elect not to personally appear at the challenge hearing (either in person or, when appropriate, by telephone) may be required by defendants to submit to a deposition. Class Members who reside beyond the jurisdictional power of the court as provided in Code of Civil Procedure section 1989 may participate in the deposition via telephone conference call.

10. TAX LIABILITY AND NET PAYMENTS

The payment by the Defendants pursuant to this Agreement is for alleged failure to pay overtime compensation, waiting penalties and interest on said sum. In accordance with both State and Federal tax laws, and in accordance with the information provided by Class Members in their submitted W-4 forms, Defendants shall withhold such sums from each Class Member’s gross award as are required in order to comply with the same. The remaining portion of each award shall be

designated as the “Net Payment”, and said sum shall be paid as provided in Section 9 above. Upon payment of the final Net Payment for each Class Member through delivery to Class Counsel, Defendants shall report and remit the taxes withheld from each class member, plus the employer’s contribution, as required to the appropriate State and Federal taxing authority. Defendants shall provide each class member with appropriate documentation setting forth the amount of any tax or other payment withheld in accordance with State and Federal tax requirements. In addition, Defendants shall provide such information to Class Counsel in a mutually agreeable computerized format (i.e. an Excel Spreadsheet) so that Class Counsel can provide said information to Class Members at the time of the distribution of the Net Payment.
